MEMORANDUM FOR: Comptroller Policy Planning Group

SUBJECT : Fiscal Year 1960 Financial Management Program

1. On 18 September 1959, I met with you to discuss the various items in our Financial Management Program for Fiscal Year 1960. Four months have elapsed since and I fear we may not achieve our objectives without some concentrated effort.

2. In order that we avoid a year end jam in policy decisions, I am setting up a series of policy meetings in an attempt to come to a clearer understanding of where we are going sufficiently early to do something about it.

3. Attached is a list of subjects and meeting dates. Also attached for your information is a copy of a Financial Management report from me to the Comptroller.
